SPEECH CLUB

The Speech Club lent a dramatic touch to our year's events. Competent actors and actresses portrayed their parts with the quality and finesse of experienced show people. Behind the scenes, the various committees worked to make these productions a success. Stage crew put in much time readying sets; make-up committees dabbled in cold cream, rouge, and lipstick; publicity crews worked to make the event known to the public.

The membership of this organization consists of sophomores, juniors, and seniors. Under the supervision of Mrs. Ewing Speech Club also sponsored the 1956 Homecoming.

"THE KEY TO ALL YOUR LIBERTIES"

The 1957-58 Keynote staff from left to right: Row 1: Bill Eastman, Marian Batdorff, Delores Cook, Carole Pattison. Row 2: Audrey Bjunes, Pat Blameuser, Diane Montgomery, Frances Nordstrome, Paulette Bruno, Priscilla Storey. Row 3: Georgia Rose Hagen, Mike Spokes, Carolyn Bigelow, Ann McFarland, Margaret Nevin, Karen Best. Row 4: Roger LaMothe, Rich Heselton, Pat Cleary, Jon L. Spokes, Fred Heselton, F. Bruce Hoornstra. Absent from the picture is Donna Garretson and Darlene Paukette.

A typical nightshift which a number of the Keynote staffers attend the night before the student body receives their paper. Smiles of satisfaction can be seen on the faces of the staff members, who know that the job they have been working on for the past two weeks has finally been finished. They show their satisfaction because they know they have contributed their share to the hard work that is put into every issue of Keynote. Jon L. Spokes, the 1957-58 Keynote editor discusses with his editorial board the functionally designed newspaper. The board members, from left to right are: Georgia Rose Hagen, assistant editor; Darlene Paukette, business manager; Marian Batdorff, features editor; and Audrey Bjunes, news editor.

A new office came into the hands of this year's *Keynote* staff. The office, which is located on the first floor of the high school was, in past years, the office of Mr. Charles Whitmore.

The 1957-58 *Keynote* staff, under the direct supervision of Mr. John F. McDonald, though slightly new to the newspaper world, have done their best to give the students of Sault high a finer, more interesting paper.

Every other week, the clatter of the typewriters could be heard by the students as they walked down the hall to the west entrance of the school on their way home.

A vote of thanks should be given to those students who worked patiently to give you something better to read.

THE VARSITY SQUAD:

The Sault High Blue Devils did not put in an impressive record this year, in the Great Lakes Conference. The team wound the season up with a 3-5 record. Despite the efforts of the team, under the careful direction of coach "Woody" Ludwig, it just couldn't seem to get rolling.

The Sault had twenty-two returning lettermen, including this years captain Barry Armstrong, who showed up all season. The Sault started the season off by losing the first game to Escanaba, 20-0, but they redeemed themselves in the last game of the season, in which they took Petoskey, 47-7.

We sincerely hope the Sault High fans, in the future, will get behind the team one hundred per cent, showing the best sportsmanship and enthusiasm.

Bee Team:

The Sault High Bee Football Squad, under the directing hand of coach Sam Dubow, turned in a fine example of all around playing during the 1957 season.

Sporting a 3 win-1 tie-1 loss record, the Bees gained a great deal in experience and sportsmanship as well as a driving ability to meet any foe with the fighting spirit that makes a great team.

Varsity Basketball

The 1957-58 Sault Blue Devils enjoyed a highly successful season. With good ball handling and teamwork, Coach "Woody" Ludwig's squad came up with an impressive record of 13 wins and 2 losses. A seldom-remembered fact is that the Sault Blue Devils have remained undefeated on their home floor since 1954.

The Devils' starting "five" had an average height of about 6'. Scoring honors were taken by Jim Ludwig, a 6'5" junior, with that total of 309 points. The squad lost Tom Talsma, another high-scoring junior, when his wrist was broken in a late-season game.

Bee's

BEE TEAM

The 1957-58 Bee Team had a successful season this year by coming through with 10 wins and 6 loses. The team, coached by Sam Dubrow, played one of their better seasons. The squad's first string was made up of three juniors, a sophomore, and one freshman. George Fornnarino took the scoring honors. In the Little Nine Conference, the team made an impressive showing while competing with Class C and D varsity teams. The boys showed good team work and all around team balance.

Cee's

CEE TEAM

The Sault Cee's, a team consisting of freshmen and sophomores, compiled a record of three wins and seven losses. Even though their record wasn't too impressive, the team gained much experience. Pat Cunningham led the team with 98 points. The boys will be of great help in the Frosh-Soph Tournament to be held at Munising.

Baseball

At the time of going to press the baseball team finds itself in the first stages of warm-up. Under the direction of Adolph Van Citters, the many hopefuls are out for every practice in anticipation of the schedule soon to begin. With a break in the weather for the first time in years, a good season is in prospect.

Intramural Sports

Home room competition, or intramural sports as they are called, proved to be very interesting, highly competitive, and quite successful. With many boys taking part, the program was closely followed by many students. Under the supervision of Merv Beedle, a representative from each home room drew up basketball, volleyball, and softball schedules. All games were played at noon hours.

Track

The traditionally strong Sault High track and field team seems sure to have another fine season. With such fine athletes the team is assured of another very successful season, and hope to retain their title as UP Class B champions.

Cross Country

Faced with a tremendous rebuilding job, Coach Ernie Kranz worked long and hard with the team. The boys, who had trouble getting together for workout as a team, worked the hills and dales around Sault Teach and developed into fine cindermen.
